

Fleet 113 Information

Written by Chris Zofchak

Welcome to the home of Fleet 113. Our fleet races out of Berlin Yacht Club in North Benton, Ohio. Formed in 2013, the fleet is providing competitive singlehanded racing that will appeal to all age groups.

Our fleet has weekly racing on Wednesday evenings and Sunday afternoon May through August. Our club has a full kitchen, bathrooms and showers. The hall area in the club has a large fireplace for those days when you need to warm up from a chilly sail.

Currently we have 4 Force 5ers and looking to add at least 3 new members in the summer of 2015.
